**WELCOME TO THE NO1 BAR IN LONDON!!**

**Our motto is simple; to treat each of our guests as WE would want to be treated!!**

We pride ourselves in offering an atmosphere where you can leave your worries and stress by the door. No1 staff are all well trained and have continuous training to ensure your satisfaction, trust, and support. In a challenging world **WE** understand the **need** and **desire** to relax, unwind or just have some fun!

As you know, a vital factor for any business to be successful is a strong **team spirit** and ones ability to gel well with colleagues when working towards a common goal. Here at the No1 Bar we provide two floors of atmosphere where one can build on these relationships on a more personal level, helping to drive each individual's success, and in turn, a successful business! We do this through our quality customer service and service offerings which forces healthy interaction between colleagues/team members whilst having fun!
